THE ROSPHIAN

The Senior Class of 1964

Rock Springs High School

Denver, North Carolina

in "Our Year"

Presents . . .

Volume XVI

Foreword

With sincere joy, the members of the graduating class of 1964 present to you the sixteenth edition of *The Rospian*.

We have tried to include as many pictures as possible to help the mind's eye retain the memories of "OUR YEAR."

"OUR YEAR" is filled with moments of laughter, excitement, friendship, and study. "OUR YEAR" is the year of great tragedy--the assassination of our nation's president, John F. Kennedy. May each of us study and inform ourselves that we may not only exist, but help to keep the eternal flame of seeking righteousness and peace alive.

We

Dedicate

Searching for humility. Seeking for character. Looking for Christianity. We found a combination of all the fine qualities that make a person outstanding as a teacher and friend of the students.

At Rock Springs, she did much to instill in all who sat in her classes those traits which will be most desirable as a student and, later, in adult life.

As an English teacher, characters in literature became living souls. A greater insight was gained to the fact that "Good English" should be spoken and written.

Her understanding, patience, and wisdom were her greatest assets as sponsor of the Rock Springs High School Student Council. Her ideals of character were always portrayed in the plays which she selected for presentation by the senior class.

"Mrs. Baker, we the senior class of 1964, want to thank you for all the guidance and help you have given us the past four years. We shall always remember you with fondness and wish you much happiness in the future."

We sincerely dedicate THE ROSPHIAN of 1964 to our former high school teacher, Mrs. Martha H. Baker.

MRS. MARTHA H. BAKER

October 16, 1963

Dear Seniors,

Please accept my deep appreciation for the many surprises and kindnesses of my last day at school. The delicious food at the parties, the beautiful gift, the well-chosen card. The rose, the precious letter and signatures, and your thoughtfulness in planning all of this--everything simply emphasized what you have meant to me through the years.

I pray that strength and wisdom will be given you, all your teachers, and your senior sponsor as you face the strenuous, busy days and months ahead.

Sincerely,

Martha Baker

ENGLISH

Students are given an opportunity to make a thorough study of grammar for personal and professional use.

Shakespeare, Sandburg, Frost, Wilder, and Chaucer are some favorite authors of outstanding literature which they learn to appreciate.

An advanced course in English, which consists mainly of creative writing, is offered this year to college preparatory students.

In the picture, Mrs. White is shown helping Jeanne Walkup with a composition.

SCIENCE

Science is very important in our world today. Courses offered in our high school are general science, biology, chemistry and physics.

General science is an introductory course in the field of science. In biology class, the students like to dissect worms and frogs.

Here, the chemistry class is seen making hydrogen.

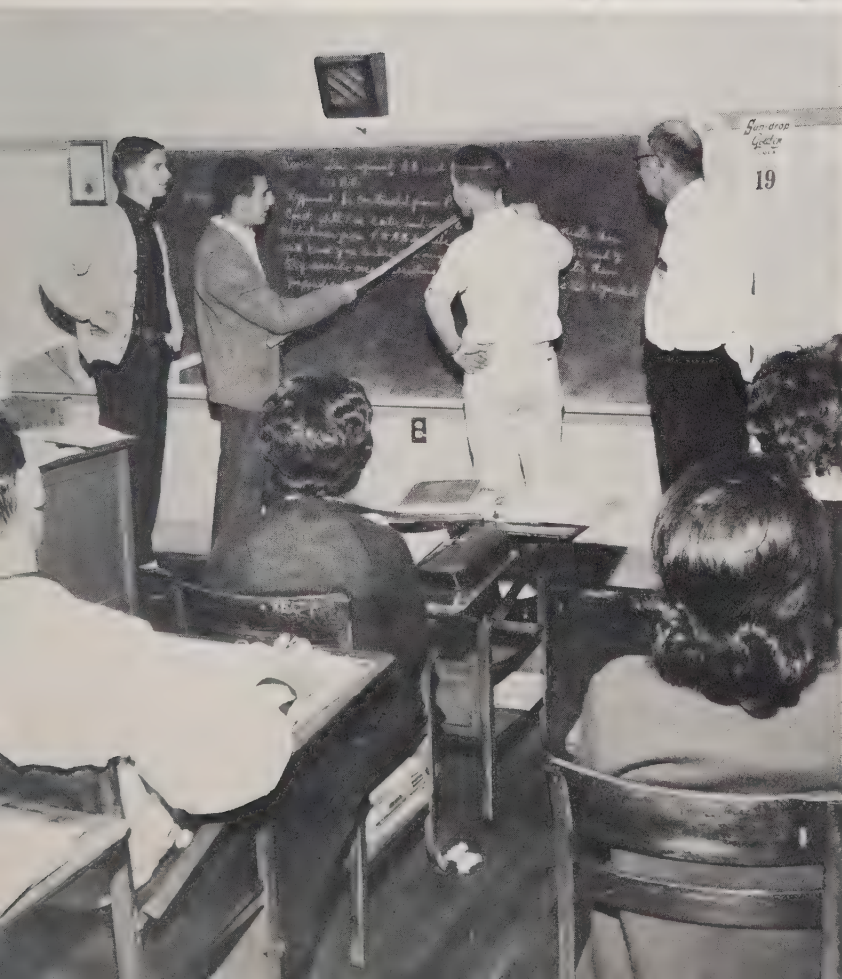

SPANISH

More and more students see the need of taking a foreign language as the world becomes smaller each year.

Spanish I and II are offered to insure oral as well as written comprehension of the language.

In the picture we see Miss Brawley helping Phyllis Trexler conjugate a Spanish verb.

MATH

The mathematics curriculum fits the needs of any high school student.

General mathematics, algebra, and geometry aid students who are interested in attending college.

Seen in the picture is Mr. Sparrow observing Phil, Jack, and Dwight as they struggle with a geometry problem.

COMMERCIAL

Typewriting, office practice, bookkeeping, and shorthand--add up to good future office employees.

Many students take commercial subjects for personal as well as vocational use.

Mrs. Sigmon's typewriting pupils are eager to begin typing each day.

HOME ECONOMICS

Girls take home economics that they may be better prepared for their future as wives and mothers. They learn to sew, cook, and serve meals. Also they study family health, household economics, and decorating.

In the picture, Mrs. Whisnant's home economics girls are thrilled over their first work as seamstresses.

SOCIAL STUDIES

Since our country's history is of great importance to us, all juniors are required to study United States history. World history is offered that students may learn of old empires, religions, and countries of today. Civics, sociology, and economics, also, are taught this year.

Mr. Carter is shown using an up-to-date map which aids him as a United States history teacher in his presentation, and assists the students in their understanding.

VOCATIONAL AGRICULTURE

The program of vocational agriculture at Rock Springs High School includes the following activities: Classroom work, field trips, farm-mechanics instruction and shop work, supervised farming programs, Future Farmers of America activities, exploring job opportunities, and requirements and types of jobs in the "world of work".

HEALTH AND PHYSICAL EDUCATION

Health and physical education is a course required of all freshman class pupils. This is a desirable and much needed subject, as a strong body is a person's greatest wealth. Pat Johnson is shown leading the class in their calisthenics.

MUSIC

The new music room was designed last year for almost perfect accoustical effects. Band and chorus are offered to grades seven through twelve. They have a class period each day for practice.

The chorus presents programs for chapel and civic clubs. The Christmas concert is an event to which students, parents, and teachers look forward.

GUIDANCE

The guidance counselors advise students on matters of courses, vocations, scholarships, tests, and colleges.

Mr. Carter and Mr. Heavner are our guidance counselors.

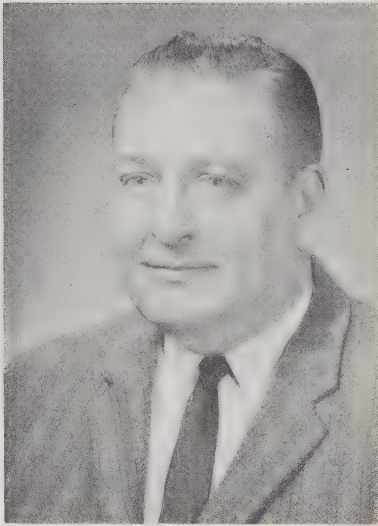

DRIVER EDUCATION

Students at Rock Springs look forward to the day that they are old enough to enroll in driver education class. Above, Mr. Carter is shown with some of his students. Driver Education teacher, Mr. Pendleton, is not shown.

LIBRARY SCIENCE

A studious atmosphere is found in the libraries. The librarian, Mrs. Coleman, and assistants see that the proper book or other information is easily accessible to the students.

CLASS SONG

(Tune: "Stranger On the Shore")

As we go along the paths of life,
Remembering the years we spent at Rock Springs High,
We'll think of all the good times that are gone,
Cherished memories, that fill our hearts with song.

The friendships we've made; the laughter and the tears,
We never shall forget, for many, many years,
As we go into our life anew, recall this fond farewell,
Adieu, Rock Springs, adieu.

--Jeanne Walkup

Activities

School began . . .

ALMA MATER

We've got the finest school that's in the land;
We'll set our goal and there we'll take a stand
To put old Rock Springs on the top, top, top;
We'll do this and we'll never stop, stop, stop.

So fight, fight, fight, fight, all the time;
And soon the whole wide world will quickly find
We'll stand for work, play, fun, pep, zip-boom-bah!
Zip-boom-bah! Rah! Rah! Rah!

SCHOOL COLORS

Black and Gold

*. . . we settled into the routine of
classes and study . . . then the senior
class rings arrived.*

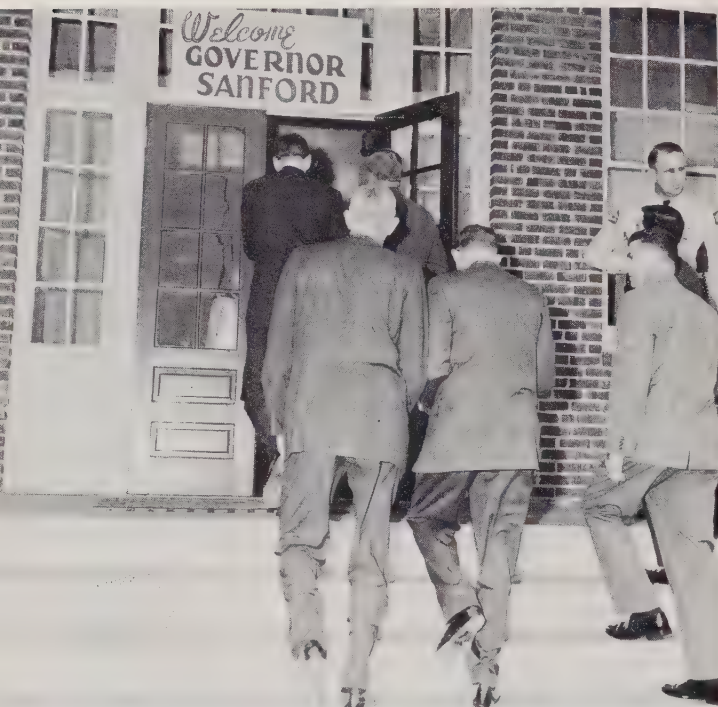

After the good meal in the cafeteria, we looked forward to football . . . our homecoming game with West Lincoln.

At the half-time, the football field was highlighted with the crowning of the queen.

An Assembly In "Our Year"

Donald Gilleland, President of Student Council (pictured on Organization Division Page), introduced Governor Terry Sanford, who spoke to the student body on "Quality Education."

Above is Mr. Norris S. Childers, our county superintendent, who recognized the special guests.

Below is Sue Sherrill ushering Governor Sanford. He pauses to shake hands.

Elementary children gather on the lawn to greet and bid "adieu" to the Governor . . .

Seniors swarm around Mr. Jim Beatty, the famous track star, for autographs. Also Mr. Joe Nixon, former county superintendent, and Mr. E. C. McIntosh, truant officer, enjoy the occasion.

Mr. Charles N. Clark, principal, bids farewell to the distinguished guests.

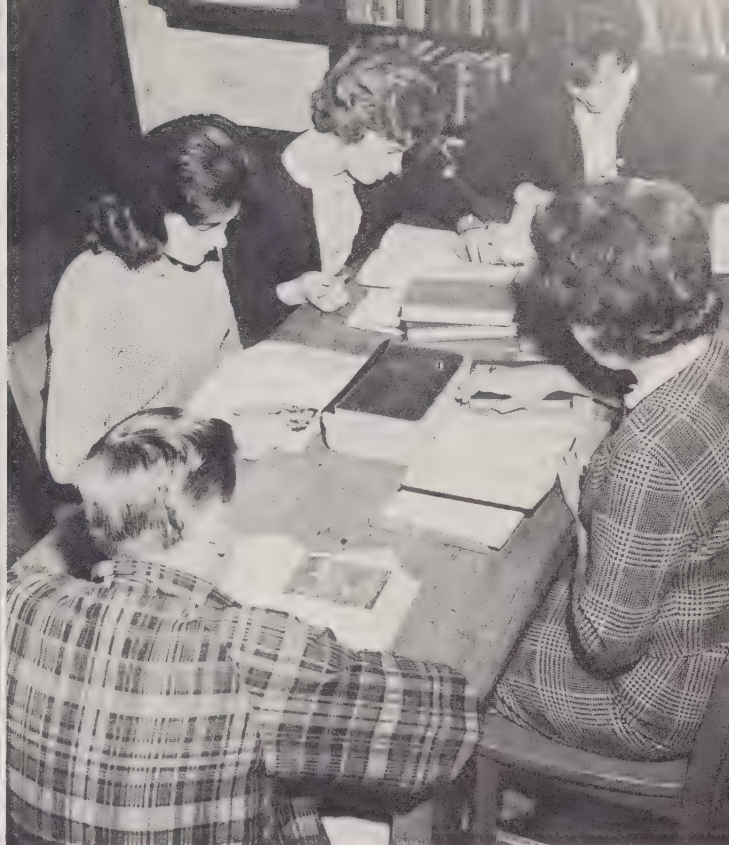

In "Our Year" the seniors solicited ads for the annual in September and October. The days from that time on were devoted to meet January 15 deadline.

Basketball players and fans look forward to December, the beginning of the season.

Beta Club members have a good time planning for Fall Festival, a big event held in "Our Year" on December 14.

Becky, Lynda, Sharon, and Sandra lend a hand in giving us the Christmas spirit. Soon after the holidays, cramming for midterm exams began . . . Jerry Luckey in the midst.

On January 9, the juniors measured for rings--the seniors ordered graduation announcements.

With spring comes the baseball season. "Our Year" will not be complete without the Junior-Senior banquet, the social event of the year. Sue, banquet chairman of last year, is dressed for the big event, Friday, April 26.

Pete, Brenda, Tony, and Donald are enjoying the banquet, "In Apple Blossom Time".

... Featuring Judy Rick, the unforgettable.

The Stingrays of Newton highlighted the occasion.

In spite of rain and wind, Denny and Carol crown Lynda as Queen of May. Tanya does not let the wind phase her . . . Mark carries the crown . . . May Day of 1963.

The children look forward to May Day, the time of dances to honor the seniors.

Seniors rehearse for the star performance . . . June 1.

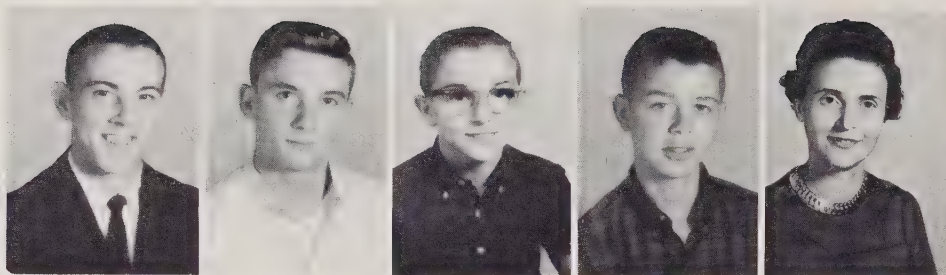

Above are the juniors, seniors, and chaperones who went to New York and Washington, April 7-13. They are shown in the Nation's Capitol on the steps of the House of Representatives where Congressman Charles R. Jonas met the group. Each person on the trip received one of the above pictures as compliments of Mr. Jonas.

Organizations

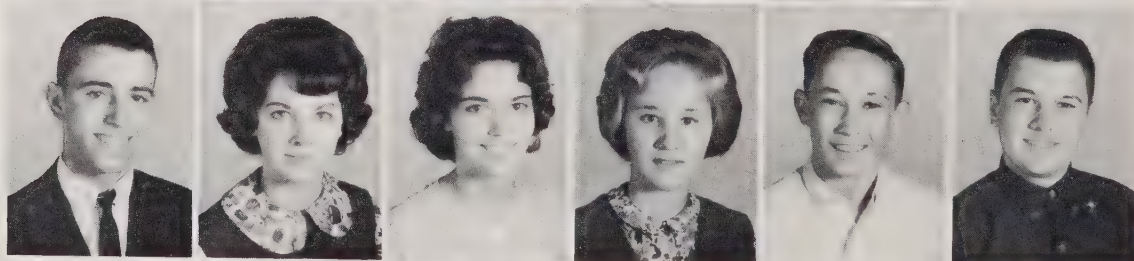

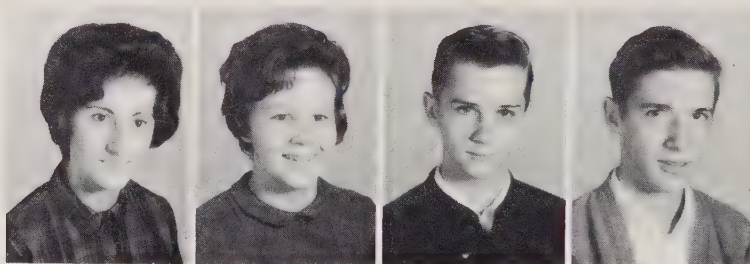

Officers: Donald Gilleland, President, Senior; Larry Sherrill, Vice President, Junior; James Gilleland, Secretary, Sophomore; Michael Howard, Treasurer, Freshman; Mrs. White, Sponsor.

Electricity is the biggest bargain in your budget!

While ways to use electricity go up, costs go down! There are now 162 residential uses of electricity to improve your standard of living, and they cost less now to operate. Actually the average cost per unit of residential electricity has gone down more than one third in the past ten years. Check for yourself: Divide your next bill by the number of uses in and around your home. Then you'll see why Reddy's wage is the biggest bargain in your family budget.

CONGRATULATIONS, "STAYPUT"!

No "dropout" you! You wanted a future that offered opportunity. So you stuck with it. And you worked hard. Now you hold in your hand the passport to that future.

Just ahead lies life's biggest decision—your choice of a career. Choose wisely. Enter the business with opportunities unlimited—the textile industry.

Ever expanding, ever progressing, our industry constantly seeks intelligent, resourceful, imaginative young people who welcome the challenge of progress.

Learn more about the opportunities offered you by the textile industry. Contact the Personnel Director at the J. P. Stevens plant near you.

The senior class would like to express thanks to our principal, Mr. Clark and the teachers for their co-operation during our work on the annual.

We wish to thank the student body who sacrificed their time from classes and waited patiently in the process of having their pictures made.

To Mrs. Dwight Callaway, Sr., for the occupancy of her home when making the superlative and feature pictures, we express gratitude.

We appreciate Mr. Lloyd Mahaffey, our patient and kind photographer, and Delmar Printing Company.

To our advertisers, we wish to express our gratitude. Without you, we likely would not be able to publish this annual.

This year, we have sold a record number of copies of The Rospian. Without you, we would have no annual.

Many seniors have worked continuously on the annual for the past three or more months. They have sacrificed their time to solicit advertisements and compile this edition. This group has worked as a team. Though obscure to most students, it was a happy, busy group.

Thanks to all who helped to make our goal, "OUR YEAR", Volume 16, THE ROSPHIAN, a reality.

The Seniors of 1964.
